## Points to ponder

- ✎ Who are the ones who will not be put to shame when Jesus reveals Himself? Only those who have testified to Him while they were alive!
- ✎ They were virulent until Jesus wrote with His fingers, and then they were ashamed!
- ✎ Sin always pursues. Even when we hide, the Holy One's eyes will find us!
- ✎ Till Peter climbed up to the upper room, he was embarrassed, But once up there, he demonstrated courage even in jail!
- ✎ They were not ashamed to put Joseph in the pit, But, when they faced him later, they were!
- ✎ Until we taste Jesus, Gospel work will not taste good, But once you taste it, there is no end to it!

To the ministry partners who will never be put to shame, as they wait for the Lord...

## Letter from the Executive Director!

Greetings to you in the unchanging name of the Lord, who promises never to put His people to shame.

Many of you read the Samarpan magazine ardently and pray for our ministries faithfully. In addition, you generously contribute to the Gospel work. We heartily thank you. Your participation has resulted in a bountiful harvest in our Vishwa Vani Ministries. It enables us to spread the powerful name of God in our country. As Scripture promises, you will not be ashamed before men nor will you be put to shame, because you honour Christ (Isaiah 54:4; Psalm 34:5).

### Prayer Life – Victorious Life

'Prayer' is an inherent part of a Christian's life, and Jesus set a good example for us. Jesus prayed continuously and taught all those who followed Him to stand firm in prayer. Such a 'Prayerful Life' will set us apart from the life of sin, enable us to understand the perfect will of God, help us overcome the forthcoming challenges, make the right decisions and lead a life of victory. It will also comfort and strengthen us when we are dispirited. A Prayerful Life 'intercedes' for the betterment of the lives of others and honours us, as Scripture affirms.

Every year, July is celebrated as 'The Month of Prayer' in Vishwa Vani, wherein people pray specifically at designated times. Every day, lakhs of believers from all over India gather and pray from 4:00 am - for the goodness of the land, the proclamation of the gospel and for expediting our steps to reach the vision of Vishwa Vani ministries. You can contact us to receive special prayer requests and

join us in praying for the prosperity of our nation! Those who know how to pray will not be ashamed, nor will they be put to shame.

### The Lord Guides to Save the Lost:

The book of the Prophet Joel talks about poverty, curse, and drought. We read here that the children of God were put to shame among the unbelievers because they were disobedient to the Word of God and continued to remain in sin. When we fast, pray and repent from our sins, God will prosper our nation, as He has promised (Joel 2:15-17; 21-27).

Likewise, we read in chapter 2 of Amos that God judged His people because they forsook the Word and turned to adultery, prostitution, idol worship and followed unrighteous evil acts. Moreover, in chapter 4, verses 6 through 11, He rebukes them five times saying, 'Yet you have not returned to Me'. He concludes in verse 12, "Therefore this is what I will do to you, Israel, and because I will do this to you, Israel, prepare to meet your God."

Hence, beloved, "now is the time of God's favour, now is the day of salvation"(2 Cor. 6:2). God commands all people everywhere to repent (Acts 17:30). Today, be cleansed in the blood of Jesus if you desire to stand unashamed in the presence of the Lord when He returns as King! You will not be put to shame. You will lift your head before men! Your bondages will be broken, your life will bloom, and you will restore what you have lost (Is. 62:8; Amos 9:14,15; Joel 2:18-19). Hallelujah!

### **Double-fold Blessings Instead of Shame:**

Isaiah 61:1-7 promises what God will share with all believers who know the gospel and are willing to share it with others. It says in verses 9 to 11 that there will be a great delight, a double inheritance in the land and our soul will rejoice. Our descendants will be blessed, our family clothed in righteousness, and the land will yield its full.

The Lord of Hosts says that all those who pray, give and work for the ministry will not be ashamed, nor will they ever be put to shame. And what must we do in return? We must proclaim the kindness and goodness (Isaiah 63:7) He has rendered in our lives in full measure.

### **Cloud, as Small as a Man's Hand, in Gospel Work**

During the time of the prophet Elijah, a cloud as small as a man's hand brought a heavy downpour. Likewise, we prayerfully move forward for a 'great harvest' through Vishwa Vani Ministries. Our focus is on a plentiful harvest to mere claims on how much we have accomplished. In all humility, we press on with zeal to reach the vision only to magnify the name of the Lord.

Presently, we share the gospel with the help of 4,737 field workers, including 2,145 married men with their families and 447 bachelors among 337 different people groups, residing in 10,500 unreached villages spread across 222 districts in 29 states / Union Territories.

We praise the Lord for the Bible Study Groups held in 7,917 places, the Sunday Worship Services conducted in 3,310 fields and 11,905 new believers preparing to profess their faith.

We humbly request you to pray for the construction of churches in

137 fields. This year, we require 1,400 new field workers to share the gospel in 7,000 new villages. Kindly uphold us in prayer.

### **East and Northeast Ministries:**

The native workers share the gospel in 2,984 villages in the Eastern and Northeastern parts of India. We plan to extend the gospel to 22,000 villages in Odisha, West Bengal, Sikkim, Assam, Tripura and Manipur. We are also working towards collaborating with the churches in Meghalaya, Mizoram, and Nagaland to share the gospel in these states.

I had the opportunity to travel to Mizoram, Manipur and West Bengal from June 10 to 18 and meet the leaders of the field churches, where I encouraged the field workers and believers affected by the calamities. We witnessed that these churches have allocated a large sum of money for the 'expansion of the gospel' and also made efforts to send 'field workers' to the unreached villages. Vishwa Vani Ministries will also perform its role in the growth of these churches.

### **South-Central and West India Ministries:**

In the states of Andhra Pradesh, Telangana, Karnataka and Maharashtra with 3,350 villages, we envision reaching 26,000 villages. Presently, in 693 church buildings, 45,766 first-generation believers attend. They continue to systematically learn the Word of God and grow spiritually through the 2,142 Bible Study Groups that meet every week.

I had the opportunity to visit the fields of Srikakulam district in Andhra Pradesh, where I attended the church dedication services in Pullamanuguda and Poddisa fields and the night meeting held in Abraham Nagar on June 22 and 23. We thank Mr. S. Jeyapaul's family and the Kovilpatti Nehemiah Prayer Group for building the church.

### **Role of South India in the Expansion of Missions:**

We are happy that 66% of the ministries of Vishwa Vani is taken care of by the churches and believers in Tamil Nadu and Kerala. I thank all the church leaders, believers, ministry partners, voluntary representatives, prayer group leaders, promotional workers, and administrative workers. May the Lord bless them mightily.

The Word of God sown hundreds of years ago in South India is yielding its fruits to thirty, sixty and a hundred-fold. We work with the commitment to be a channel of blessing to the world.

We request your continued prayer, financial support and people with nimble feet to reach the goal. Kindly support us through the Savings Boxes and help us share the gospel in the unreached villages by sending Rs. 4,000/- every month. You can also send us special offerings and introduce our ministries to other believers.

### **Board and Annual General Body Meetings:**

The Vishwa Vani Board and Annual General Body Meeting convened at the Head Office in Hyderabad on 12.07.2024. In the meeting, the Annual report for the preceding year was presented, and the Income and Expenditure sheet was audited and approved. Committee members engaged in prayer, evaluated, and motivated to move forward in the mission. Suggestions were made to implement the ministry's plans, and a budget of Rs. 110 crores was proposed for the current financial year. I extend my heartfelt gratitude to all members of the Board and AGM, including P. Selvaraj Annan, Chairman of Vishwa Vani Network, as well as to the dedicated Head Office and Administrative Office staff and the department heads of all nine departments.

### **Freedom, Prosperity and Health:**

Let us remember the 77th year of Indian independence with gratitude and joy on 15.08.2024. We remember the national leaders who worked for the freedom of India. Today, let us work together to ensure that the diverse people of India, speaking numerous languages, practising diverse cultures, and embracing various faiths, thrive in prosperity, harmony, and unity. Let us embrace all diversities with love and make the Indian Flag flutter high! Let us support all the leaders of our nation in our prayers.

*Instead of your shame, you will receive a double portion. Instead of disgrace, you will rejoice in your inheritance. And so you will inherit a double portion in your land, and everlasting joy will be yours. (Isaiah 61:7)*

**PEOPLE WHO KNOW THE GOSPEL,  
ARE NOT ASHAMED TO PROCLAIM IT,  
BY PROCLAIMING IT,  
THEY ARE NOT PUT TO SHAME AS WELL!**

Beloved, The first question is: do you know Jesus?  
Knowing Jesus does not pertain to intelligence but to the heart!

In husband - wife relationship,  
They know each other not by intelligence  
but by the articulation of the heart!  
When the heart knows each other,  
Love overflows between them!  
They will walk not just one mile,  
but miles without anyone telling them!

“Simon, son of Jonah,  
Do you love me truly more than any of these?” (John 21: 15 – 17)  
Deal with love, and affection, which are related to the heart!  
When we have hearts full of deep love for Jesus  
Love of Jesus will overflow limitlessly!  
People, who possess such a loving relationship with Christ,  
Will love Him ceaselessly, worship Him incessantly!

They will talk to Jesus constantly  
and offer a sacrifice of praise continuously.  
Whether time permits or not,  
they will continue to meditate upon the Holy Word!  
They will continue to proclaim Jesus!  
They will never be ashamed of the Gospel!  
It is their ardent desire that  
everyone should hear the name of 'Jesus,'  
Profess faith in Him! Inherit eternal life!  
The reason is, their love is related to the heart.

They will be warriors who are all  
set to release those sentenced to death,  
They are messengers  
who will save those who are bound to death!

Beloved, Who is ashamed to proclaim Jesus?

Those who do not sit at the feet of Jesus in their personal lives!  
Who are those who are embarrassed to proclaim Jesus?  
Only those whose conscience pricks their sinful hearts!  
When the blood of the Lord Jesus Christ cleanses off all our sins  
And makes us clean, we proclaim the name of Jesus vociferously!  
Who are the ones who love Jesus with their whole heart?  
Only those who have the confirmation that their sins have been forgiven!  
**They will not be ashamed!**  
They will not hide the blessings they have received from Jesus!

“I do not hide Your righteousness in my heart;  
I speak of your faithfulness and salvation.  
I do not conceal Your love and truth  
From the great assembly” - Psalm 40:10

- How do those who receive the Lord, confine Him in their hearts?  
How do they fasten their mouths? How will they be ashamed?
- In this world, where people do not feel ashamed to tell lies,  
How do people who know the truth and love the One who loves the truth  
Feel ashamed to confess Jesus?
- If the world is not ashamed to sing the songs of the world,  
How can people who have received the new song in their mouth  
Be ashamed to sing songs of praise to Jesus?
- If people are not ashamed to bow down before things or people,  
How can people who know the One who has given life to them  
Be ashamed to invite others to Jesus?
- If people are not ashamed to please people, whose bodies will be eaten  
away by maggots, by telling them their human voices are so divine!
- Those who have heard the voice of Mount Sinai in Mount Calvary,  
How will they be ashamed  
to let the lost sheep listen to the voice of the Shepherd?
- If men are not ashamed to sell books with fabulous stories and pictures,  
That stains the hearts!  
How can believers be ashamed to carry bundles of the Holy Bible that  
change the heart and distribute it door by door, street by street,  
and village after village?
- If men are not ashamed to bow down before Tahon  
Though it falls headlong again and again!

How can men be ashamed to proclaim the gospel,  
of the Saviour who laid His head on the cross  
So that all men might live?

- Are you one with St. Paul who said,  
"For I am not ashamed of the glad tidings"? (Rom 1:16)
  - Are you in line with people who proclaim the truth in this world,  
who float in the ocean of lies?
  - Do you stand with the lakhs of believers who say,  
"My mouth shall declare thy righteousness, and  
thy salvation all the day: For I know not the numbers?" (Ps. 71:15)
  - To Onesiphorus, Paul writes,  
"He was not ashamed of my chain"? (2 Tim. 1:16)
  - Are you one among those who lend their hands  
without shame and fear,  
To the gospel workers during their time of need?
- If you say yes, then I wish to tell you one thing -  
You are not going to be ashamed!
- Aren't the people who proclaim the gospel of our Lord Jesus Christ  
called the people of God?  
Doesn't the verse, "My people shall never be ashamed" (Joel 2:26)  
belong to them?  
Though they encounter many troubles in their personal life, family life  
and economic condition they will not be ashamed!
- In this world where sin and violence have increased,  
If you are the one,  
Who is not ashamed to proclaim the Holy One,  
Then, you will not be put to shame in this world!  
Though you walk through the valley of death  
and pass away from this world one day,  
you will not be put to shame!  
One day, when the King of kings comes again,  
Yes, when the Lord Jesus Christ comes for the second time,  
you will not be ashamed! (Mark 8:38)

Beloved,

The extent to which you exalt and proclaim the Gospel of Jesus Christ,  
To that extent, your name will be read aloud in heaven!

You will not be put to shame before anything or any man in this world or the world to come! (Matt. 10:32)

Hence, like St. Paul who without shame and fear proclaimed the gospel of Jesus Christ before King Agrippa,

I urge you to proclaim Jesus Christ without fear of men or shame!

Like King David who said,

"I will speak of thy testimonies before kings,

And will not be ashamed" (Ps. 119:46)

Proclaim the gospel of Jesus Christ!

Then, people will be added to the church!

Ponds will become baptism tanks! Rivers will become Jordan!

Through you, many pages will be filled in the Book of Life!

There will be joy and loud applause before the angels in Heaven!

Beloved brother and sister, If you have failed, or been ashamed

and stood apart until today to proclaim the Gospel,

Kneel, right now!

The Holy Spirit will immediately take away

your doubts, shame and internal fears!

If you are like Jonah in the lower deck,

He will turn you into Peter of the upper room!

You will become warriors to fight against the forces of darkness!

As true disciples,

You will earn 'vessels of peace' wherever you go!

You will be bestowed with humility and talents

to be leaders of an organization or church,

and apostles who changed the world!

The gospel trumpet will resound all the time in your heart and house!

The love of Christ will continuously urge you!

This year, out of the six lakh villages in India,

Through you, at least one village will be lit with the gospel torch and a

church will bloom! Amen!

**As you are alive today,  
Higher you raise  
the bar of the gospel of Jesus Christ,  
Higher will your name  
be pronounced in Heaven!  
You will not be ashamed on Earth  
nor in Heaven!**

Our Holy God,  
 You created us as humans to worship and adore you, the Holy One,  
 But, we destroyed the Garden of Eden.  
 Since then, we have been destroying  
 Our bodies, days, and opportunities!  
 Though we wish to repent, we do not,  
 Even though reformatory schools have been opened,  
 severe punishment has been given,  
 we have not been able to reform ourselves!  
 Still, our minds are filled with bad thoughts and has lost its oneness,  
 As we fume and fret, there is no single-mindedness!  
 Bad habits have stolen our health away!  
 Thank you, Lord, for planting the cross firmly on earth,  
 demonstrating that only You, O Lord,  
 who created us can change us!  
 Father, we accept the Heavenly Savior who delivers us  
 From sin, curse, death and Satan!  
 We see that our minds are reformed through Him!  
 In the name of Jesus, we gain victory over these three things -  
 the Flesh, the World and Satan!  
 Father, the Master of the Harvest,  
 May the rest of our lives be dedicated  
 To proclaim the victory, offered by the Cross,  
 To all in need!  
 Lord, May villages, and cities hear the Gospel,  
 Seek Jesus, and Live!  
 In the name of the Savior and Lord Jesus Christ, we pray, Amen!

## Witness and Evidence...

My life is a witness to the fact that anxiety, tears, loss of peace, and financial problems that affect and threaten the family depend on the behaviour of the head of the family. I am from Chhatter village in Kangra jilla in Himachal Pradesh. My whole family was depressed by my alcoholism. As a result, my family's income began to dwindle year after year. I spent most of my time on the streets rather than at home. Many took pity on me. But no one showed me the way towards redemption.

I had the opportunity to meet the field worker, Prakash Chand, through a neighbour who is a believer. I was taken to the prayer meeting but had no idea about prayer. Yet I was sure that there was one person who was concerned about my life - Jesus, My Saviour. He is the One who embraces any type of sinner. And I surrendered my life to Him. I was transformed into a new creation in Christ through prayers, fasting prayers and counselling. Today, instead of alcohol, I am addicted to the Word of God. Along with my family, I have visited many places where I could get the Word. And this remains the greatest miracle our family received from Jesus, by His sheer grace! – Bishamber Singh, New Believer.

## Why then is not the health of the daughter of my people recovered?

- Haris Prem, Vishwa Vani Media

**A** rich person had a loving daughter who was his only heir. He loved her dearly to the extent that he was willing to give his life for her. He would get her all that she desired. She drank nutritious milk and ate high-breed millet, and he ensured she had everything to grow healthily. However, such pampering did not allow for her optimum growth. She fell ill.

The father began to lament because he had done everything he could to promote her health. He began to weep just as

Prophet Jeremiah did in the first few chapters of his book: "Is there no balm in Gilead? Is there no physician there? Why then is there no healing for the wound of my people?" (Jer. 8:22).

Medicines to treat her illness are available in the land. But even then, she is on her sick bed! Who is responsible? Whatever the reason or factors involved, the dearly beloved had to be saved. A well-known surgeon must operate on her to save her.

Jeremiah, with a heavy burden, portrays the increase in the number of fake doctors who apply the balm of Gilead on the outside and say, "Peace, Peace," offering false promises that the daughter shall live. On the contrary, the doctors need to cut open the wound, remove the puss, and bandage the wound to save the life of the girl.

God's chosen children had gone astray before the eyes of the 'Lamenting Prophet' of the Bible, Jeremiah, and he could not keep silent on seeing their destruction. He lamented, and this is evident throughout the book of Jeremiah.

Is it possible to lament like this? Yes, it is possible for those who have taken the burden of Jesus onto their hearts. Truly, crying at the feet of Jesus and succeeding in their mission is better than swirling and whirling their sticks in the air without any effect.

People who cry for others are close to the heart of Jesus. The greatest blessing they receive is that they will never have to cry for their needs. Our problems and troubles increase when we do

not have concern for others. On the contrary, when we offer our helping hands to others, God will hold our hands tight and rescue us from our problems.

The cry of Jeremiah concerning Israel is not simple - "Oh, that my head was a spring of water and my eyes a fountain of tears! I would weep day and night for the slain of my people." (Jer. 9:1).

See the extent of his cry! The prophet cries day and night for his people like the father who had lost his only daughter. He presents his cry before the Lord. The people of the world ask strength from the Lord to work day and night to increase their riches. But Jeremiah asks for strength to weep for his people. Why does he need to weep? He could have asked for something better than weeping for them. The truth is that everything has gone out of control, and we could do nothing more but cry unto the Lord. This can bring great results. In other words, when we have no other options but to shed tears at the feet of Jesus, the blessings that tears bring are so much richer that we cannot gain by ourselves! Those men of God who have understood this formula will commit themselves to weep in the presence of God!

Emil Jebasingh Annan wrote, "If we cry in the presence of the Lord in the early hours of the day, then we need not cry before others throughout that day!" How true are they? All those who have learnt the habit of shutting their doors and shedding tears before God will never cry before others! Even if they cry, it will be tears of joy!

Upon thoroughly examining the injustices, violence, and pitiful screams that are pervasive in India, we may find ourselves wanting to rip off our clothes. And yet, today, we have a massive number of insensitive Christians donning the masks of believers and have sold their hearts to the world. These stone-hearted people sit in churches and organizations. And as a result, people oppose us when we speak about sin and righteousness. They are very much interested in listening to 'Hyper Grace,' and 'Super Hyper Grace'. They oppose the small group who preach the truth as truth. They have strayed far from missionary work, bereft of burden for the souls in the nation. They spend much time, energy and effort feasting and in festivity. They never turn up for the harvesting of souls. It is the end time when peculiar

messages are not preached here and there but everywhere.

I remember the words of a Bible Scholar that I have read in a book: "The Gospel is 2000 years old. We can serve this old wine in new jars. But, when we say new things, they change the wine." The new teachings, new wine, inject poison into the ears of those who listen to it. Those who have taken this new poison take a few verses from the Bible, beat around the bush and behave like drunkards with spinning heads. They love to quarrel and fight. Satan uses such a group of people among believers. They are enemies of the Great Commission and are ill-fitted to be used in the Gospel work.

Though this land, with all its wealth and resources, has enjoyed freedom for the past 77 years, it is bedridden like a daughter. It is like a patient fighting for life in the Intensive Care Unit. Its internal organs have stopped functioning. Now, we should protect the daughter (people) from the fake preachers who say, 'Peace... Peace' but are trying to kill her. We need to save the daughter through surgery. And this can only be done through those who cry for the nation like Jeremiah.

Some people do not have the heart to cry for the souls with burdens. Some do not have the mind to cry for the nation. They pursue other goals. These believers and field workers are like Kehazi, who followed Naaman for money and were not like Elijah, the man of God! They are going to be Baalam called to curse Israel. But they will never be Jeremiah, who desired to bless the land! ●

## WE PRAY

**Mrs. Lydia Dharmaraj (89 Years)**, wife of former Bishop of CSI Tirunelveli Diocese Rt. Rev. S. Jason Dharmaraj and mother of Rev. Simon Dharmaraj, S. Kailasapuram pastorate, went to be with the Lord on 07.07.2024. "Amma has shown great love and support towards Vishwa Vani Ministries and the field workers." We thank the Lord for her commendable contribution to the Ministry and all the church-related missions during her days on earth. May the Lord comfort and console her children and grandchildren.

CREATOR OF THE UNIVERSE, THANK YOU, LORD,  
FOR THE JOY THAT SPRINGS FROM THE GOSPEL!

**A**s a team of eleven, we travelled towards Visakhapatnam to dedicate a church in Boddagondi field in the Arakku valley. It was an unforgettable train journey from Visakhapatnam through the mountains. Some of the tunnels on the way were dug during the Britishers' time. Wherever we turned, we could see greenery everywhere. It reminded us of the Garden of Eden before the fall. We were amid valleys, waterfalls, teak and eucalyptus trees. Mild showers welcomed us in the valley of Arakku.

We also travelled two more hours from Arakku Valley and reached the fields in Odisha. We could see Rudakota field church at a distance. After parking our vehicle under the foothills of a mountain beyond the church, we boarded a jeep, as our vehicle was unsuited for a mountainous terrain. The drivers there are the best in the world because of their efficiency in taking people safely over these narrow, hazardous pathways. Those of us travelling in the jeep were holding our breath. The road was bumpy. We were even stopped by crossing cattle. After an adventurous trip of 45 minutes, we reached Boddagondi. The smiles on the faces of those villagers enabled us to forget our difficult tread over the mountain.

More than 50 young believers washed our feet, dried them up, shook hands and welcomed us. We were overwhelmed by their gesture of love and concern! We were filled with God's presence when they started dancing and singing songs of praise and worship. As a family, we had wondered whether we could ever go on such a long trip. But when we saw that beautiful church, we got the assurance that the Holy Spirit had given us the strength to endure it all. We considered it a privilege to attend the dedication service held on 30.06.2024. We greet all the field workers who share the gospel over these hamlets that are hard to reach and establish those villages as Beacons of Hope. Every day, we pray that one lakh villages will be blessed through Vishwa Vani field workers by 2030. – David Pandiyan's family.

# FROM THE NETWORK CHAIRMAN

Dearly beloved brothers and sisters in Christ,

May the grace and peace of God, the Father and Saviour, Jesus Christ, be with you.

The Lord is miraculously leading the Vishwa Vani Ministries. Through His guidance, we take specific measures to carry out His plans. Immeasurable wonders and signs are seen as daily events in the ministry. When we make efforts to fulfil the Great Commission of Jesus, 'Go, make disciples of all nations, baptizing and teaching...', then Jesus affirms, "All authority under heaven and earth is given unto Me; I will be with you till the end of the age".

You would have read about the early stages of our ministry over the Himalayas in the previous issue. In this issue, we will talk about the ministries in Northeast India, especially in the Northern part of West Bengal, Sikkim and Assam, where Rev. Prakash Chhettri, who speaks Nepali, is the coordinator for the province. Rev. James Lushai, Rev. Manoj Pradhan and Rev. Ajay Rabha serve as state coordinators, respectively.

## **Fruits in the Field:**

The ministries carried out in 650 villages of 124 fields aid in the transformation of Nepali, Bodo, Rajbangsi, Santali, Oraon, Mundari, Sikkimese, Lepcha, Bhutia, Assamese and Bengali people/language groups. 135 Bible Study Groups help them to grow spiritually and morally. There are 135 Worship Groups and 65 church buildings constructed for the glory of God. We praise God for the six church buildings dedicated in the previous financial year. The number of people attending the worship has increased to 6,605, which includes 5,073 people who have confessed their faith in Christ. Praise the Lord.

## **Here I am, Send Me...**

A hundred-and-three youths (30 from Siliguri, 23 from Sikkim and 50 from Assam) have applied for Ezra Camp with the commitment to work as full-time field workers among their people. We need your prayers and financial support to train and send them to the mission fields.

The believer who has received a new life in Christ Jesus must lead others in his village. New field churches must be established. And the villages transformed through Christ must bless other villages through the gospel to reach our goal of one lakh villages. With this vision, every believer must be a missionary sharing the love of God. This is the plan of action given by God, and He will surely give us the grace to fulfil it.

## Community Development Ministries:

The holistic approach helps to meet the social, spiritual, and physical needs of the people. Tailoring classes and evening tuition centres for children in the evening are held in 2 fields. A Child Care Center functions in Matigara and a Skill Development Centre functions in Gayaganga. These projects are beneficial to the believers and the villagers. Their activities lead to an increase in the number of good citizens in the nation.

According to our vision, 4,500 villages of Assam, 2,000 of Siliguri and 200 of Sikkim need to be transformed through the gospel. By 2030, the number of field workers must increase to 1,340, and the believers must increase the harvest. The villages can be transformed only when the number of people who pray increases and the number of workers sent multiplies. Our Lord Jesus Christ is concerned about the gospel work. You can also be a part of it.

I praise God for His guidance in the ministry at Georamuni field near the Bangladesh border, adjacent to the beautiful church in Chota Patamari field. Land was purchased, and construction work to build a church began. But as four youngsters on motorbikes threatened the believers at the construction site, the work was held up. The field worker and the believers did not lose hope, and they tarried in prayer with courage and faith. When the church building was erected, the same youngsters returned and demolished it. The believers filed a complaint at the police station, and the youngsters were penalized and arrested. Since construction had stopped, we prayed for a conducive atmosphere.

Suddenly, out of the blue, Arun Doss, one of the four youngsters, asked the believers to resume construction. He assured them that they would not stop them. It was a miracle! What created this sudden change? A bright light came into the room where Arun Doss was sleeping. He could see a Man in the bright light and asked Arun Doss not to stop the construction work! Yes, when he heard the voice of Jesus, all the obstacles turned into opportunities. The church was constructed and dedicated to the glory of God.

Darjeeling is a tourist spot in the Himalayas – West Bengal. We have our office there too. We have identified a piece of land - a five square pole, which is 1360 sq. ft to construct a Prarthna Sahay Kendra and a Training Centre. The cost of one square pole is Rs 3.50 lakh. We need Rs. 17.50 lakh to purchase 5 square poles of land. God's servants must share our ministry's needs with the believers; Our loving God will raise His children to meet their needs. Pray and take part in this work.

We thank you all for your prayers, contributions, and involvement. May the grace of God be with you.

# I WILL NOT BE ASHAMED OF THE GOSPEL OF CHRIST

- Rev. Emmanuel Gnanaraj, Director Prayer Network

**A**postle Paul wrote that he was not ashamed of the gospel and shared his reasons in Romans 1:16 - It was the power of God that brings salvation to everyone who believes: first to the Jew, then to the Gentile.

When we meditate on this verse, we should first ponder on the word - "shame" and its effects. The words modesty and shyness are related to the word shame. The dictionary definition of shyness relates to the bodily effects, while the effect of the heart is modesty and shame. The mental state of shame makes us lose confidence. It also creates fear and a sense of pity for those who are hurt. It evokes the same emotions that the priest and the Levite felt when they encountered a man who was lying down half-dead after being attacked by thieves. They chose to walk away as though they never saw him. This is the definition of shame.

There are two reasons why we never take responsibility and feel ashamed. Firstly, our heart is unable to realize the needs of the affected. The person who needs to share the gospel with those in the bondage of sin must first experience and know that Jesus has given Himself as a sacrifice for our sins and that He will save us, ultimately. He must understand the condition of those whose sins are not forgiven. Besides, he must also know the joy in heaven for every sinner who repents. He must also not hesitate to spend time and money to help someone who met with an accident, whether it is loss or gain. All the Christians who do not have this realization will be like those who move aside without involving themselves. They will be ashamed of the gospel. But Paul writes that he will not be ashamed. He will boast over it as delegated to him.

## **A. What I am Not Ashamed of?**

Firstly, Paul writes that he was not ashamed of the Gospel in Romans 1:16 and states the reasons. The power of God brings salvation to everyone who believes: first to the Jew, then to the Gentile. The Gospel gives deliverance from sin, the assurance of forgiveness of sin, and helps us to begin a holy life (1 John 1:9; John 5:24; Romans 6: 22), provided we believe in Jesus. It gives the authority as the child of God for those who believe and accept Jesus in their lives (John 1:12). He also writes in Romans 1:14, 15: "I am obligated both to Greeks and non-Greeks, both to the wise and the foolish. That is why I am so eager to preach the Gospel also to you who are in Rome."

## **B. What will I Boast?**

When Paul says he is not ashamed, he means he boasts over it. Holding it high

and considers it the prime thing of his life. It means that he would do anything for it. Paul writes in Galatians 6:14, "May I never boast except in the cross of our Lord Jesus Christ, through which the world has been crucified to me, and I to the world." In other words, our Lord has shed His blood and redeemed us.

Paul writes in many places that he boasts of God. He also mentions that he boasts of his weaknesses. He lists the troubles and shame he experienced for the Gospel and boasts over it in 2 Corinthians 11:17-12:10. Can you accept when Paul says, "I am not ashamed of the troubles that I faced for Christ and the gospel"? Should Paul alone face all these tribulations? Do we not have a part in it?

### **C. I am Compelled to Preach**

Paul starts 1 Corinthians 9:16, saying, "For when I preach the gospel, I cannot boast." He not only says that he was compelled to preach, but he ends by saying, "Woe to me if I do not preach the gospel!" He preaches the Gospel joyfully as his duty. Every child of God is bound to do it. Firstly, everyone must accept the Gospel of salvation. Otherwise, it is foolishness. Since all those who have not accepted the Gospel of Jesus Christ, even if they are rich and famous, will be condemned, says Christ Himself in John 3:18. When we realise that no other name is given on earth to save us (Acts 4:12), how can we remain silent without proclaiming it!

### **D. Suffer for Jesus Christ**

Paul asks Timothy, "Join with me in suffering, like a good soldier of Christ Jesus." He says that there might be losses because we participate in the Great Commission. Sometimes, setting aside our desires, we need to give our savings to the ministry. Paul writes in 2 Corinthians 8 - to what extent the church in Macedonia was interested in giving for the Gospel work. One of the poets said that your giving to God must be to such an extent that it affects you. C.T. Studd gave the ministry his house which looked like a palace in England. He went as a missionary to China, India and finally Africa. He had nothing to give his son-in-law when his daughter met him for the first time along with her husband after marriage. It was not a loss for him but a gain for what he had given for Christ. It was his commitment, and it makes one proud of him even today. William Carrey came to India with his family and translated the Bible into many languages. The troubles, shame and pain he faced for the Gospel can never be listed. Imagine the pain he experienced to dig with his own hands the grave to bury his dead wife and child. This created fame, not shame in his life. Yes, all those who lost their possessions for Christ can never be in want. Is it not true that all those who faced trouble for the expansion of the Kingdom

never incurred a loss? When Graham Steins from Australia worked among the lepers in Odisha, he was burnt alive along with his two sons. Was it a loss?

### Why should we Suffer?

Hebrews 9:22 says, "Without the shedding of blood there is no forgiveness." In Colossians 1:24, Paul says, "Now I rejoice in what I am suffering for you, and I fill up in my flesh what is still lacking in regard to Christ's afflictions, for the sake of his body, which is the church." In other words, there is a price that everyone needs to pay for salvation. What does Jesus expect from our life? Just think about it.

We need to pay the cost of the gospel work. The training for the missionaries in the Hindi language began for the first time in 1992 in Delhi. I came to Delhi from Jammu for the inauguration. On the way, I searched for a house in Ambala and paid the advance, thinking I would be transferred there. However, at the inauguration ceremony, Emil Annan said, "Thambi, you cannot go back. You must stay here and take care of the training. There is no other way." I obeyed and stayed in Delhi. My family reached Delhi, and my children started their school. But then, the training centre was shifted to Gorakhpur in three months. Again, I had to move my family to Gorakhpur from Delhi. We obeyed the voice of the Lord. I shared with my wife and children that I have committed not only to myself but my family and children and their studies for the Lord. But today, when I reminisce and see the fruit of our labour in North India, in the form of thousands of missionaries and souls, I know that I have not been put to shame, and the ministry has never let me down.

I was thrilled when I heard Moses Rajasekar sing a meaningful song on the stage after losing both his kidneys and eyes:

"My heart urges me to do something for Christ Jesus, the Lord who has given me life." If the person who has lost both his eyes and kidneys has this zeal, what are we going to lose for Christ? Are we not committed to Christ? Doesn't our heart crave to do something for Christ? ■

## THANKS FOR PRAYING AND SENDING

We thank Rev. J. Jegadish Kirubakaran, Presbyter-in-charge, C.S.I. Christ the King Church, Kodaikanal. He dedicated a missionary on 22nd June 2024 for the Handi field in Gujarat, where the Vasava people reside. We also thank Rev. K. Vedhamuthu, Rev. Ajay Nirmal, Rev. A. Prasad, Rev. Prasanth, and the Associate Pastor Mr Johnson, including the families who support the field worker. In the name of Jesus, we greet all those who work with the vision to reach the unreached villages.

– Coordinator Jesudas Duraisingh

# GOODNESS AT NAVAPADA

The ministry partners from Kodambakkam, Chennai, visited the state of Gujarat to see the development of our ministry in 2007. They attended the church dedication service held in Pattadi village. During the fellowship

time in the afternoon, they realised the need to have an English Medium school and prayed for the same. As a result, efforts were made to start an English Medium School at Navapada Church field campus. The school began with 34 children in 2009. The number of students increased as a result of continuous prayer. Land was purchased by the efforts of a group of people, and the school construction was carried out.

As a result of the steady increase in admission, the government approved the upgradation of the school to higher secondary (till 12th standard). It is God's amazing grace. As people prayed, the number of children has risen to 400. Students who completed their 12th in the past three years are now pursuing college. Our children who have entered degree courses in various fields are praying for the growth of this school and are encouraging others to do so. Let us pray together so that they might come up in life. 27 teachers work alongside Mr. Maxwell Vallivel, the Principal of the school, to take the school to higher places. Let us intercede for them so that God will grant their heart's desire and repay them according to their efforts.

A computer laboratory is of paramount importance in the present educational system. Through the efforts taken by the families in Tambaram, Chennai, we were able to purchase 12 computers and set up a laboratory. We need people who could lend their support for it. Keeping in mind that the children must move forward in education without delay, we were able to set up the laboratory between June 23rd and 30th. Mr. Karunakaran came to the field from Palayamkottai, and we commenced the work. He gave special training to the teachers and the students so that the school would reach greater heights. The training was of great benefit to the faculty and the students. May the Lord bless his ministry. Now, through the efforts taken by the school, children of the unreached people's group have been transformed into good citizens of India. Continue to pray so that the school will become the best in the state. We look forward to people supporting us in raising the present standard of the school by meeting the needs of the school. We thank and greet all those who contribute to the good cause.

- C.S.R. Brem Kumar, Tambaram.

# No Turning Back

**W**e had a prayer walk in the state of Manipur for seven days. The villages were evacuated, houses burnt, the church buildings were demolished, and the houses of the field workers were knocked down into rumbles. The vehicles were burned to metal, and the coffins of the Heroes of Faith remained empty. We were filled with tears wherever we turned.

We reached Imphal on June 13 and Khunou on June 19. The seven-day journey was tedious. There were check posts every 30 meters, self-protection in every village, and nearly twenty thousand people were residing under Tarpaulin after becoming refugees in their land. Beside them were the mass burial ground of the people who gave up their lives as martyrs. The sounds of gunfire, even now, trigger terror in the lives of the people.

“The people hide themselves whenever they hear gunfire. I carry my 88-year-old father on my back, and I hide him in the nearby forest and care for him. Whenever I go out for ministry, my father hides himself under his cot. But, it is God who has protected us.” – *Witnessed by Field Worker Roimuthang*

“For the past month, I have not been able to enter my village. Threats and mishaps have never come to an end” – *Prayer point of the field worker, Romesh Singh*

“There was none except me in our family, who knew Jesus. The number of people attending the Believers' Fellowship held in our house, has never decreased after the calamity” – *Witnessed by young Rojit Moibam*

“Today we do not have a church. We are indeed filled with tears whenever we see the site where the church stands tall. But a day is coming, when Jesus is going to give us a glorious church better than the one we lost” – *the voice of the believers from Keinou village.*

“35 people from our village believed in Jesus Christ. More than 60 people gather during the worship. There is no room for people to sit on the verandah. Believers please come forth to purchase a land of 3500 sq. ft which is ready to raise a church building” – *the prayer request of the young believers of Keinou bok village.*

“We lost all that we had but not the faith in Jesus. There is no way that we would turn our back on Jesus” – *Witness of the fruits in the field.*

**W**e could complete the 4th phase of Relief Work for 200 families. We are working hard to wipe away the tears of hundreds and thousands of people and place a Bible in their hands. Blessed are those who pray for the peace of Manipur. Though they have lost their lives, belongings and residence, they still stand firm in Jesus. Let us do what we can for the believers, the field workers and their families. Blessed are those who have contributed and will continue to contribute to the welfare of the people of Manipur! – *Kingsley, Associate Director.*

## Growth and Transformation

**I**n the recent past, we have seen a constant increase in the number of people caught in sin and desire redemption, deliverance and Light. At the same time, some people have received the True Light through the Gospel and are rejoicing in the Lord. Praise the Lord! 199 Worship Groups are functioning in 512 villages in Uttar Pradesh. People strengthened by the Word of God participate not only in the Worship but also involve themselves in the community development work.

The moral classes conducted for 597 children in 7 web centres through 23 teachers have created an aversion towards sin. The elders and the small group leaders of field churches gather together and pray. They also make decisions concerning the transformation of the village and the development of the church. When we see the future of the village, in the light of the self-employment skills taught to women, the social development skills learnt, and the plan of action for the welfare of the villagers and their everyday activities, we can testify that God performs His work in every village. The vision of Vishwa Vani Ministry is to meet the physical, social and spiritual needs of the villagers and lead them towards prosperity. Sixteen youths have come forward to work in Bhojpur province. We need 'Believers' from Antioch' with a heart to send and support the youth. – *Anil Kumar, Coordinator.*

## Millions of Praise to the Master of Harvest!

**Give thanks to  
the God of heaven.  
His love endures forever.**  
(Psalm 136:26)

Give thanks to the God of heaven. His love endures forever.

(Psalm 136:26)

We are glad in the Lord to share with the ministry partners our activities from April 2023 to March 2024. We humbly inform you, "We are unworthy servants; we have only done our duty." (Lk. 17:10)

The Good Lord has been leading the Vishwa Vani Ministries from its inception in 1980 so that the wondrous love of our Saviour Jesus Christ, slain at the cross, could be shared. The Lord is unchanging! He has enabled us to move until now with the same commitment - to "Send Native Workers; Supported by Indian Believers". Last year, by the Grace of God, we witnessed a bountiful harvest through the prayers and contributions of the children of God and substantial efforts made by the voluntary representatives.

Mission fields were started in 13 new districts during the 12 months of 2023-2024. New field workers were sent to 224 villages. And the Children of God have given 7% more donations compared to the previous financial year. As a result, new field workers were trained, and 102 new worship groups were established in the fields. The number of first-generation believers has reached 1,38,751. Eighty-five church buildings have been dedicated, and 137 are under construction.

The support received by the ministry partners for FY 23-24 is Rs 75,42,53,201. We thank all the prayer group members, all those who have adopted the villages - the ministry representatives, and the believers and their families who have donated to the construction of the churches in the fields. We also greet and thank our revered Bishops, pastors, church believers and development staff.

As the number of people who sow tears and reap joy is increasing in the ministry, we welcome you to be a part of this ministry to reach the villages of India. Join us to expand the Kingdom of Jesus Christ.

AUDIT REPORT

To the Members of Vishwa Vani,

We have audited the accompanying financial statements of Vishwa Vani, which comprise the Balance sheet as at March 31<sup>st</sup> 2024, and the Income & Expenditure Account of the year then ended.

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the auditing Standards on Auditing issued by the Institute of Chartered Accountants of India, which require that we comply with the ethical requirements and plan and perform the audit to obtain a reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial preparation and fair presentations of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion and to the best of our information and according to the explanations given to us and subject to note no.9 to the accounts regarding the advances, the financial statements give the information required in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a. In the case of the Balance Sheet, of the state of affairs of the Society as at 31<sup>st</sup> March, 2024.
- and*
- b. In the case of the Income and Expenditure Account, of the Excess of Income over Expenditure for the year ended on that date.

## A KERNEL OF WHEAT FALLS TO THE GROUND OF ORAON

Bro. Emmanuel Kujur with his Family

Some people are like cities shining over the mountains after receiving the Great Light. Like chariots and horses in the ministry, they make haste to accomplish their tasks. Our hearts become heavy when these active people depart from us to take eternal rest. Only the Words of Jesus Christ console us - 'Let your hearts not be troubled.'

In 1990, from the Oraon people in the hamlets of Jharkhand, Bro. Emmanuel Kujur was chosen by the Lord. He was active in the Sarna belief until he was 20 when he turned his attention to Calvary through the Gospel given by servants of God.

Bro. Emmanuel had the same experience as Paul on the way to Damascus. As his eyes opened, he started walking to different villages and shared the love of Christ. This led to the development of the Oraon People. The fields he penetrated through with the Gospel still flourish in the Lohardaga district.

In 1991, as a trainee, he commenced his ministry and became the first field worker at Chanho mission field. He was instrumental in establishing the first Vishwa Vani Church in Jharkhand at Bandhya village.

The Lord used him mightily in the field for 31 long years to harvest the souls as a field worker, a web monitor and later as a field coordinator. Finally, he coordinated the ministries in the entire state of Jharkhand.

From July 2022, both his kidneys failed to function properly, and he had to undergo dialysis twice a week. Amid his ill health, he visited the mission fields, encouraged the young field workers and did his office duties without fail.

At the age of 53, his health made him incapable of giving much time to the souls. But he shed tears and did his best for the Lord. On 22nd June at 7 pm, he went to be with the Lord.

The role played by Rev. Emmanuel Kujur in the transformation of the fields in Jharkhand led many to righteousness. When our Righteous Judge returns, He will certainly crown him with the Crown of Righteousness.

Kindly pray for the comfort of Mrs. Amarmani Kujur, who continues in her journey of faith in Christ and for the future of their two young daughters, Amarlata Kujur (age 21) and Prasannata Kujur (age 18). They continue living with the fervent hope that their father is with the Heavenly Father.

– Coordinator.

## The Lord Reigns

**G**od was gracious to us to construct a church for the Sora people group residing in the Pullamanuguda mountain region in Andhra Pradesh. On 22.06.2024, the church was dedicated. Rev. Dr. Wilson Gnanakumar, Executive Director of Vishwa Vani, attended the dedication service with our family. The dedication service was completed in perfection for the glory of God. We cannot forget the traditional way of welcoming, the love and the hospitality of the Sora people.

On the way, we saw many Vishwa Vani churches, the Primary Health Centres and the medical ministry run by the field workers. Many sick people benefit from this ministry. That evening, an open-air prayer meeting was held at Abraham Nagar. We magnified the Lord along with the Sora believers. Nehemiah Building Trust from Kovilpatti constructed a church at Podissa village was dedicated on 30.06.2024. We were able to experience the presence of God in the dedication service. The field workers took good care of us during our stay at Atchapuvalasa Training Centre. The social development programme, such as educating the children at the children's home and leading them spiritually in God's way was well-commended. It is a great joy to see the field workers doing God's work zealously. Through prayer and finances, it is our prime duty to uphold God's work. We thank the Executive Director and other field workers who travel along with us amid great responsibilities! We give all glory and honour to Him! -Mrs. Jebakani Jeya Paul.
